OF

FUSION CLASSROOM EDUTECH LIMITED

(Formerly Known as Fusion Classroom Edutech Private Limited)

For

THE YEAR ENDED MARCH 31, 2026

INDEPENDENT AUDITOR'S REPORT

**To the Members of
FUSION KLASROOM EDUTECH LIMITED
(formerly known as Fusion Klassroom Edutech Private Limited)**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Fusion Klassroom Edutech Limited (formerly known as Fusion Klassroom Edutech Private Limited) ('the Company') which comprise the Balance Sheet as at 31 March, 2026, the Statement of Profit and Loss and notes to financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India and the accounting standards specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2026 and its profit for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) as specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('the ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Board Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially

misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for explaining our opinion on whether the company has adequate internal

financial controls with reference to financial statement in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Board of Directors.
- Conclude on the appropriateness and reasonableness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Results may be influenced. We consider quantitative materiality and qualitative factors in
 - (i) planning the scope of our audit work and in evaluating the results of our work; and
 - (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Financial Statements.

- b) In our opinion, proper books of account as required by law have been maintained by the Company, including relevant records relation to the preparation of the aforesaid financial statements have been kept so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act; read with Rule 7 of The Companies (Accounts) Rule 2014 (as amended)
- e) On the basis of the written representations received from the directors as on 31st March, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the Internal Financial Controls Over Financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act; in our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Company is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. According to the information and explanations given to us, no dividend has been declared or paid during the year by the Company.
 - iv. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, the audit trail (edit log) feature was not operated throughout the year for all relevant transactions recorded in the accounting software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with during the period for which the audit trail feature was operational. Since the audit trail feature was not operated

throughout the year, we are unable to comment on whether the audit trail has been preserved by the Company for the entire period as required under the applicable statutory requirements.

- v. There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company.
- vi. The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- vii. The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- viii. Based on the audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub-clauses (vi) and (vii) above contain any material misstatement.

Annexure B to the Independent Auditors' Report

Report on the internal financial controls under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' of our Report of even date to the financial statements of FUSION KCLASSROOM EDUTECH LIMITED (formerly known as Fusion Classroom Edutech Private Limited) for the year ended March 31, 2026.)

Opinion

We have audited the internal financial controls with reference to financial statements of FUSION KCLASSROOM EDUTECH LIMITED (formerly known as Fusion Classroom Edutech Private Limited) ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls:

The Board of Directors and Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under sub-section (10) section 143 of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements

included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements:

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

FUSION KLASROOM EDUTECH LIMITED

Corporate Information and Significant Accounting Policies

For the year ended March 31, 2026

NOTE 1: CORPORATE INFORMATION AND BASIS OF PREPARATION

Corporate Information

Fusion Classroom Edutech Limited (formerly Fusion Classroom Edutech Private Limited) is incorporated in India, with its registered office in Mumbai, Maharashtra. The Company operates in the education and technology sector, delivering academic and skill-based content via an AI-enabled OTT learning platform and through partner institutions.

The Company converted from a private limited company to a public limited company on November 17, 2025, pursuant to the Companies Act, 2013. The conversion did not impact the underlying operations or accounting policies.

Basis of Preparation

These financial statements are prepared and presented under the historical cost convention on accrual basis of accounting in accordance with the Generally Accepted Accounting Principles (GAAP) in India. These financial statements comply in all material aspects with the Accounting Standards (AS) notified under applicable rules, other pronouncements of the Institute of Chartered Accountants of India (ICAI) and the relevant provisions of the Companies Act, 2013 (as applicable).

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous year.

These Financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All the financial information has been presented in Indian Rupees (INR) and all amounts have been rounded-off to the nearest lakhs, unless otherwise stated.

These financial statements for the year ended March 31, 2026 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on July 15, 2026.

[Handwritten signatures]

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Use of Judgments and Estimates

The preparation of financial statements in conformity with the Generally Accepted Accounting Principles (GAAP) in India requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, including disclosure of contingent, as at the date of the financial statements and the reported amounts of revenues and expenses during the reported period.

Management believes that the estimates and assumptions used in the preparation of the financial statements are prudent and reasonable. Actual results may differ from such estimates due to uncertainties inherent in the estimation process. Differences between the actual results and estimates are recognised in the period in which such results are known or materialise.

Estimates and the underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in the period of revision and, if applicable, in future periods.

Property, Plant and Equipment (PPE) and Depreciation

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, net of trade discounts and rebates, directly attributable costs of bringing the asset to its working condition for its intended use and capitalized borrowing costs. When significant parts of the plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Subsequent expenditure related to an item of property, plant and equipment is capitalized only if it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is recognized in the statement of profit and loss when the asset is derecognized.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each financial year end, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation on Property, Plant and Equipment of the company has been provided as per written down value method as per the estimated useful lives of the respective item indicated in Part 'C' of Schedule II of the Act or based on management estimate using technical evaluation.

Handwritten signatures and initials in blue ink, including a large "A", "DN", and a signature that appears to be "D. J. Javeri".

The details are set out as below:

Asset	Useful life as per Schedule II of the act
Furniture and fixtures	10 years
Office Equipment	5 years
Computers	3 years

Intangible Assets and Amotisation

Intangible assets are recognised when it is probable that the future economic benefits attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

The useful lives of intangible assets are assessed as either finite or indefinite. Intangible assets with finite useful lives are amortised over their estimated useful lives and are assessed for impairment whenever there is an indication that the asset may be impaired. The amortisation period and method are reviewed at the end of each reporting period and any changes in estimates are accounted for prospectively. Amortisation expense is recognised in the Statement of Profit and Loss.

Intangible assets are derecognised upon disposal or when no future economic benefits are expected from their use or disposal. Gains or losses arising from derecognition are recognised in the Statement of Profit and Loss in the period of derecognition.

Recorded Study Content

Costs of developing and procuring academic and skill-based video content, which forms the core of company's learning library as per management's assessment has been capitalized as "Recorded Study Content".

Customer Database

With effect from Financial Year ended March 31, 2024, the Company has also capitalized expenses incurred and identified by the management towards the purchase of a customer database as "AI Model Training-Customer Data Acquisition" which is expected to be utilized over the foreseeable future.

Amortisation amount for intangible asset is the cost less estimated residual values using straight line method over their estimated residual useful lives. The Company determines the amortisation period as the period over which the future economic benefits will flow to the Company after taking into account all relevant facts and circumstances. The estimated useful life and amortisation method are

Under the B2B model, the Company sells offline and online educational coaching content to B2B Enterprise and channel partners, who in turn market and distribute the content to end-user students and content development services to B2B Enterprises. Revenue from B2B arrangements is recognised at the point of raising of invoice on the channel partner, when significant risks and rewards of ownership in the content are transferred, the right to receive consideration is established, and there is no significant uncertainty regarding ultimate collection.

(Formerly Fusion Classroom Edutech Private Limited)
Corporate Information and Significant Accounting Policies

The Company does not retain any continuing managerial involvement or effective control over the content sold to channel partners after invoicing. Accordingly, revenue is recognised on an invoice basis, notwithstanding that access to content may be provided over a period of time.

B2C Revenue (Direct Sales to Students)

Under the B2C model, the Company sells offline and online coaching and training directly to students. Fees received from students are non-refundable in nature. Revenue from B2C arrangements is recognised on receipt basis, being the point at which the right to consideration is established and there is no uncertainty regarding its collection.

The Company has no obligation to refund consideration or provide additional services beyond granting access to the content under both B2B and B2C arrangements. The Company's revenue arrangements do not generally provide for refunds or cancellations once access to content has been granted. Accordingly, no provision for refunds or chargebacks has been recognized.

The Company does not recognise unbilled revenue as consideration becomes due only upon invoicing or receipt of fees, as applicable.

Earnings Per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is calculated by dividing the net profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period, adjusted for the effects of all dilutive potential equity shares.

Leases

Assets acquired under leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as Operating Leases. Lease rentals paid under Operating Leases are charged to the Statement of Profit and Loss on a straight-line basis over the lease term. All other expenses related to leased assets are treated as revenue expenditure.

Impairment of Assets

At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. Based on such assessment, no material impairment indicators were identified for the assets of the Company during the periods presented and accordingly, no impairment loss has been recognised in the Financial Information.

Taxes on Income:

Current Tax

Current tax is determined as the amount of tax payable as per the provisions of The Income Tax Act, 1961 and relevant rules, notifications and circulars. The Company has opted to be taxed under Section 115BAA of the Income-tax Act, 1961 and therefore the provisions relating to Minimum Alternate Tax are not applicable.

Deferred Tax

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for all deductible and taxable temporary differences arising between the tax bases of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of transaction.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date. Deferred tax asset in respect of carry forward of unused tax credits and unused tax losses are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. The Company recognizes deferred tax liabilities for all taxable temporary differences.

Going Concern Basis:

The financial statements have been prepared on a going concern basis, as management has assessed that the Company will continue its operations and meet its obligations in the normal course of business.

The Company has demonstrated a consistent trend of profitability and improvement in operating performance over the recent periods. This sustained positive performance, together with healthy operating cash flows and strengthened financial position, supports the assumption that the Company will continue as a going concern.

Corporate Information and Significant Accounting Policies

Segment Reporting:

The Company operates primarily in the education and technology sector and generates revenue through both Business-to-Business (B2B) and Business-to-Consumer (B2C) models. All operations are conducted within India.

In view of the Company's single primary business segment and geographical area of operations, segment reporting as per Accounting Standard (AS) 17 – Segment Reporting is not applicable to this financial information.

Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Bank deposits with maturity of three to twelve months from the balance sheet date are classified as "Other Bank Balances" in balance sheet.

Investments

Long term investments included under Non-Current Investments are valued at cost, with an appropriate provision for diminution in value other than temporary, in which case, the carrying value is reduced to recognize the decline. The portion of long-term investment as which is expected to be realized within twelve months from the Balance Sheet date is shown as Current investment in the Balance Sheet. Short term investments are valued at lower of cost and fair value, and the resultant decline if any, is charged to revenue.

Employee Benefit:

Employee benefits are recognized in accordance with applicable accounting standards. The liability in respect of gratuity is determined based on actuarial valuation carried out at each balance sheet date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the Statement of Profit and Loss in the period in which they arise. The gratuity obligation recognized in the balance sheet represents the present value of the defined benefit obligation, reduced by the fair value of plan assets, if any.

Short-term employee benefits such as salaries, wages and other benefits payable within twelve months are recognized as expenses as and when the related services are rendered.

Borrowing Costs:

Borrowing (Finance) Costs consist of Interest and Other costs that an entity incurs in connection with the borrowing of funds and are expensed in the period in which they occur. Major Interest costs during the period incurred are towards unsecured borrowings from Banks and Non-Banking Financial Institutions.

Expenses incurred towards Share Issue Expenses are considered as Capital Expenses and not charged to Statement of Profit and Loss Account.

Current and non-current classification

Assets and liabilities are classified as current or non-current in accordance with the criteria set out in Schedule III to the Companies Act, 2013. The operating cycle of the Company has been determined as twelve months.

Provisions:

Provisions are recognized when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

Note 5 (a) - Terms of repayment of term loans

(i) Certain term loans are repayable in equated monthly instalments (EMIs) over their respective tenures, in accordance with the terms of the relevant sanction letters. Such loans are eligible for prepayment or foreclosure as per the applicable terms agreed with the lenders.

(ii) Certain borrowings are in the nature of overdraft facilities. Repayment under such facilities is made through periodic servicing and adjustment of outstanding balances, and the outstanding amount may be repaid partly or fully at any time, in accordance with the applicable terms.

Note 5 (b) - Defaults in Repayment of term loans

There has been no default in repayment of principal or interest during the years presented.

Note 5 (c) - Current Maturities of Long Term Borrowings

The portion of long-term borrowings repayable within twelve months from the reporting date has been disclosed under "Short Term Borrowings".

The Company capitalised the costs of developing and procuring academic and skill-based video content, which forms the core of its learning library as "Recorded Study Content". These costs are amortised on a straight-line basis over a period of 10 years.

(a) National Education Policy (NEP) 2020 - NEP lays out a long-term transformation plan with implementation targets up to 2040. As the Company's content is developed specifically for NEP-aligned curriculum and skills, its relevance and reusability, a 10-year amortisation period is therefore considered conservative within the NEP's 20-year+ policy horizon.

(b) The Company has capitalised expenses incurred towards the purchase of a customer database, which, based on management's assessment, is expected to be utilised over the foreseeable future commencing from the financial year ended 31st March 2024. During the current year, the capitalised amount comprised of payments made to vendors for the purchase of specific customer data, as identified and categorised by the management. The purchased data forms a key input for AI model training and related analytics, supporting the Company's technology-driven initiatives. These costs are amortised on a straight-line basis over a period of 5 years, in line with the assessment made by the management.

(c) During the year, the Company entered into a Deed of Assignment dated 17 December 2025 with Ms. Alka Javeri, Whole Time Director and Promoter of the Company, for acquisition of all rights, title and interest in the Company's logo and word mark for a consideration of ₹5 lakhs. The Company has filed the necessary application with the Trade Marks Registry for recording the assignment. As at 31 March 2026, the consideration of ₹5 lakhs remains outstanding and is payable to Ms. Alka Javeri. Trademarks are amortised on a straight line basis over a period of 5 years, in line with the assessment made by the management.

Note 21(b): The Company had not recognised gratuity obligations in earlier years. During the year ended March 31, 2026, the Company obtained an actuarial valuation of its gratuity liability in accordance with Accounting Standard (AS) 15 - Employee Benefits, covering obligations relating to earlier years as well as the current year.

Based on the actuarial valuation, a total gratuity provision of ₹20.62 lakhs has been recognised during the year ended March 31, 2026. The entire amount has been charged to the Statement of Profit and Loss during the year.

Management is of the view that the recognition of the gratuity obligation in the current period does not materially distort the financial performance of the Company and, accordingly, no restatement of earlier period financial statements has been carried out in these financial statements.

Return on capital employed (in %)	Earnings Before Interest & Taxes (Profit/(Loss) Before Tax + Finance Cost)	Capital Employed (Equity + Borrowings)	44.91%	29.64%	51.54%	(e)

Note: Basis for deriving numerator and denominator for Ratios calculation of preceding year has been revised wherever deemed fit by taking same base as current year to make them fairly comparable.

Explanations for variances above 25% in above ratios:

- (a) Decrease in current ratio is due to increase in current liabilities, mainly short term borrowings and income tax provision.
(b) Increase in Debt Equity ratio due to higher amount of unsecured short term and long term borrowings outstanding at the year end.
(c) Increase in Return on Equity percentage due to increase in Profit After Tax in current year.
(d) Increase in Net Capital Turnover ratio due to higher Revenue from Operations and lower closing working capital due to higher current liabilities.
(e) Increase in Return on Capital employed due to higher Earnings before Interest & Tax.

Approval of Draft Red Herring Prospectus (DRHP):

Subsequent to the reporting date, the Company's Draft Red Herring Prospectus (DRHP) was approved by the BSE Limited vide its letter dated May 6, 2026, granting in-principle approval for listing of the Company's equity shares on the Small and Medium Enterprises (SME) Platform of the Exchange.

The Company proposes to undertake an Initial Public Offering (IPO) of up to 24,55,200 equity shares. The proceeds of the issue are proposed to be utilised towards the objects of the issue as set out in the DRHP, including the Offer for Sale, funding the stated objects of the issue, and meeting IPO-related expenses.

This event occurred after the reporting date and, accordingly, has not resulted in any adjustment to the amounts recognised in these financial statements.

Management believes the approval of DRHP and proposed IPO will not give rise to liabilities or obligations that existed at the reporting date other than those already disclosed; but has been disclosed considering its significance.
